

Earth
Day

The text "Earth Day" is rendered in a thick, blue, hand-painted style. The letters are slightly irregular and have a textured appearance. The word "Earth" is on the top line, and "Day" is on the bottom line. The text is surrounded by several colorful, abstract shapes in shades of yellow, pink, and purple, which look like splatters or brushstrokes. These shapes are scattered around the text, adding a playful and artistic touch to the design.
